

ENCHANTING AND ENDURING IS LIFE
THAT BLOSSOMS IN THE MOONLIGHT

F R E E H O L D

BETWEEN THE WORLD AND ME,
MOONLIGHT DWELLS

Lilies are lauded for their wide variety, where light shades of their uniquely strong sturdy petals represent peace and purity; while pink, lightly coloured shades represent wealth and prosperity. Hailed as the ten most beautiful night-blooming flowers in the world, the lilies calming qualities begets an atmosphere of serenity and poise, a perfect companion to the tranquillity of the night. Inspired by the everlasting qualities of lilies, The Lilium embodies this fine balance of tranquillity and composure in a calming and relaxing enclave to call home.

Artist's Impression

MAGIC IS THE MOONLIGHT

Such is the power of the moonlight when peace and serenity reigns over earth and sky. An intimate 80-unit freehold condominium that is exquisitely built to exude on the gentler side of life, The Lilium occupies a prime serene locale in the upscale Bartley residential enclave. The development draws inspiration from night blooming flowers which thrive under moonlight, with the aim of providing a welcoming space of quietness and serenity that each evening brings. Here residents easily slip away from the hustle and bustle of the city and into a quiet refuge to relax, refresh and recharge.

BE ENRICHED BY LIFE'S FINEST

Superbly connected by an established public transport system and highway networks, residents are assured and empowered in the knowledge that the bustle and convenience of urban pleasures are expediently at the fingertips. A mere 5-minute walk to Bartley MRT station conveniently connects residents to the extensive MRT network with the Serangoon MRT interchange just a stop away, the MacPherson MRT interchange in two stops and Paya Lebar MRT interchange in three.

Bartley MRT Station (5 mins walk)

Serangoon MRT Station (1 stop)

COME ALIVE
UNDER THE STARS

Artist's Impression

A 30-metre lap pool is a central feature between the two low-rise blocks, framed by parallel pool decks serving as a boardwalk. Overlooking the residences are the lily ponds that radiate an ambience of calm and serenity.

Smartly designed as a family home, The Lilium comprises two 5-storey blocks overlooking the condominium's facilities which are centered in an elevated communal landscape deck, offering a private sanctuary for its residents.

Conceptualized to bring focus to the meditative nature of the night, the environment encourages residents to relax and enjoy the home at a gentler pace. Bask in the evening air and experience the ethereal beauty of fireflies and blooming lily ponds - just some of the simple pleasures of the evening.

The Gym and Function Room are sited adjacent to the pool and provide residents with a variety of spaces to indulge in, like quiet reading in the room or enjoying a quick work-out in the gym.

Artist's Impression

For those who take pleasure in outdoor activities, The Lilium has much to offer. Whether it is lounging on the lawn, taking a quiet stroll at the scented garden or inviting families and friends for a BBQ party at the Pavilion whilst watching children play at the flower themed playground, your senses are set to be pampered in the tranquil sanctuary.

The many recreational facilities at The Lilium come alive with a celebration of soothing colours and nature, bringing residents closer to biodiversity. These unique touches make The Lilium special, giving families and multi-generational units abundant opportunities to bond under the stars.

NOTES TO SPECIFICATIONS

AIR-CONDITIONING SYSTEM

To ensure good working condition of the air-conditioning system, the system has to be maintained and cleaned on a regular basis by the Purchaser. This includes the cleaning of filters, clearing of condensate pipes and charging of gas. The Purchaser is advised to engage his own contractor to service the air-conditioning system regularly.

TELEVISION AND/OR INTERNET ACCESS

TELEVISION AND/OR INTERNET ACCESS
The Purchaser is liable to pay annual fee, subscription fee and such other fees to the television and/or internet service providers or any other relevant party or any relevant authorities. The Vendor is not responsible to make arrangements with any of the said parties for the service connection for their respective channels and/or internet access.

MATERIALS, FITTINGS, EQUIPMENT, FINISHES, INSTALLATIONS AND APPLIANCES

MATERIALS, FITTINGS, EQUIPMENT, FINISHES, INSTALLATIONS AND APPLIANCES
Subject to clause 14.3, the brand, colour and model as specified for all materials, fittings, equipment, finishes, installations and appliances to be supplied shall be provided subject to the Architect's selection and market availability.

LAYOUT/LOCATION OF FAN COIL UNITS, ELECTRICAL POINTS, TELEVISION POINTS,
TELECOMMUNICATION POINTS, AUDIO INTERCOM SYSTEM, DOOR SWING POSITIONS
AND PLASTER CEILING BOARDS

AND PLASTER CEILING BOARDS
Layout/Location of fan coil units, electrical points, television points, telecommunication points, audio intercom system, door swing positions and plaster ceiling boards are subject to the Architect's final decision and design.

WARRANTIES

Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor shall assign to the Purchaser such warranties at the time when possession of the Unit is delivered to the Purchaser. Notwithstanding this assignment, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.

FALSE CEILING

FALSE CEILING
The false ceiling space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works will be required. Location of false ceiling is subject to the Architect's sole discretion and final design.

GLASS

Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage, which may occur in all glass by all manufacturers. The

urchaser is recommended to take up home insurance covering glass breakage to cover this possible event. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.

GINEERED TIMBER FLOORING

ENGINEERED TIMBER FLOORING
Engineered Timber flooring is manufactured material which contains tonality differences to match natural wood finish. Thus, it is not possible to achieve total consistency of colour and grain across its selection and installation. Engineered timber floors are installed in modular planks and are subject to thermal expansion and contraction beyond the control of the builder and the vendor. Notwithstanding this note, the Vendor shall remain fully responsible for the performance of its obligations under clause 9 and clause 17.

MECHANICAL VENTILATION SYSTEM

mechanical ventilation fans and ducting are provided to toilets which are not naturally ventilated. To ensure good working condition of the mechanical ventilation system, the mechanical ventilation system for the exhaust system within internal toilets (where applicable) is to be maintained by the Purchaser on a regular basis.

TEAR-DISLOCATED FOULERS

FABRICATED TOILETS
Certain bathroom and W.C. may be prefabricated construction and all penetrations are sealed manufacturer's factory prior to installation on site. Any subsequent penetrations are not recommended as they will compromise the waterproofing warranty.

44

wall finishes shall be terminated at false ceiling level. There will be no tiles/stone works mind kitchen cabinets/longbath/vanity cabinet/mirror.

ABLE SERVICES

The Vendor shall endeavor to procure a service provider for cable television and/or internet services (the "Cable Services") to provide the necessary cabling or connection from its network to the Unit/Building and/or the Housing Project (or any part or parts thereof), so as to enable the Unit/Building and/or the Housing Project to receive the Cable Services. In the event, despite reasonable efforts being made by the Vendor, the Vendor is unable to procure any service provider to provide the said cabling or connection, thereby resulting in there being no Cable Services available in the Unit/Building and/or the Housing Project, the Vendor shall not be liable to the Purchaser for any compensation or for any damages, costs, fees, expenses or losses whatsoever, or howsoever incurred, by virtue of the Purchaser being unable to obtain the Cable Services in the Unit/Building and/or the Housing Project.

TRI-COUNTY MALL (USA)

SingHaiyi Group Ltd. is a fast-growing, diversified real estate company listed on the Mainboard of the Singapore Exchange (SGX), focused on property development, investment and management services. With strategic support from its major shareholders, it is led by a board and management team that has deep insights and strong connections that enable access to unique and rare investment opportunities.

Over the years, SingHaiyi has built a solid track record in property development in Singapore, with well-designed and quality residential properties such as The Vales and City Suites, both rated "CONQUAS STAR" by the Building and Construction Authority.

The Vales has won three awards at the recent 2018 PropertyGuru Asia Property Awards (Singapore), including the Best Executive Condo Development Award, Best Executive Condo Interior Design Award and Best Executive Condo Architectural Design Award. This is an endorsement of the design and quality of SingHaiyi's projects.

Apart from an established track record in residential and commercial property development in Singapore and the U.S., it holds a diversified portfolio of income-generative assets in the commercial and retail sectors, with geographical reach into the United States, Australia and a growing presence in Asia.

Backed by the philosophy of "精诚存信, 佳业传承", SingHaiyi is founded on business excellence and integrity, and endeavours to build a trustworthy and reliable brand for enduring growth and a legacy for generations.
